

Is The Lord Talking to Me?

Short meditations on Pope John Paul II's encyclical "Redemptoris Missio"

By Dorothy L. Armstrong

Redemptoris Missio (Latin for *Mission of the Redeemer*), is a Papal Encyclical by Pope John Paul II and is devoted to the subject of "the urgency of missionary activity" in which he wishes "to invite the Church to renew her missionary commitment." This booklet presents each of the major themes of Pope John Paul's landmark letter in short easy-to-read snippets that include a passage from the letter, a reflection on the text and a prayer that Dorothy Armstrong wrote to assist in the internalization of the message. The meditations reflect on the Church's ceaseless mission to spread the Gospel and especially seek to help invigorate our own evangelical efforts.
