

## **PRAYER FOR VOCATIONS**

Lord Jesus Christ, full of confidence in your loving care for us, we pray:

Send to your Church courageous men and women who will draw people to God through the inspiration of your love. Call forth disciples who will serve as priests, deacons, brothers and sisters – living the Gospel and spreading its Good News of justice and charity.

Bless our Diocese of Paterson with an increase of vocations so that young people, heeding your call, may carry on their mission of love in your service.

Amen.
